

Danton Medical Centre – Uninsured Services Fee Guide (2026)

Why Are Some Services Not Covered by OHIP?

The Ontario Health Insurance Plan (OHIP) covers many essential healthcare services. However, not all services provided by your doctor are covered. Some services — such as completing forms, writing notes, and certain procedures — are considered uninsured services and must be billed directly to the patient. These charges help cover the time, expertise, and administrative work needed to provide these services.

At Danton Medical Centre, we are committed to transparency. This guide explains your options for managing these costs, including our Block Fee Program for your convenience.

Block Fee Program (Annual)

Category	Annual Fee
Individual	\$200.00
Couple	\$300.00
Family	\$350.00
Retired Individual	\$150.00
Retired Couple	\$225.00

Note: Block fees cover services marked with an asterisk (*). Services not included in the block fee are charged separately.

Important Notes

- Fees are subject to change based on time spent and complexity.
- HST may apply to some services where required by law.
- Block fees are optional; patients may still pay per service if preferred.
- Payment for uninsured services is due at the time of service.

Thank you for your understanding and continued trust in Danton Medical Centre. If you have questions about uninsured services or block fees, our staff will be happy to assist you.
